

Midlothian Manor Due Process – Legal Fund

As concerned Lake County citizens, we are asking for your help. We need to raise legal funds to slow the process by seeking an injunction. We are not sure what this will cost, so we need to raise enough to ensure that we can cover the cost should the process become protracted. We are seeking to raise \$40,000 initially and **all funds raised will be used only for cover legal fees.** We will ensure an open & transparent accounting of all legal fees distributed & communicate as payments are made. **Once resolved, all unused donations will be donated to a worthy cause to support the homeless and hungry in Lake County.**

Please donate as much as you are able. Every Single Dollar Counts! We need to raise money quickly so we get the attorney started working on our behalf. We can't do this alone. Please donate today. If you are concerned and want to slow the initiative down to allow time for our questions to be answered, we need your financial help. You can donate anonymously if you so choose.
